

Blue Future: Protecting Water for People and the Planet Forever

By Maude Barlow

House of Anansi Press Inc., 2013. Hardcover. Condition: New. 1st Edition. The final book in Maude Barlow's Blue trilogy, Blue Future is a powerful, penetrating, and timely look at the global water crisis and what we can do to prevent it. The global water crisis has dramatically deepened. The stage is being set for drought on an unprecedented scale, mass starvation, and the migration of millions of refugees leaving parched lands in search of water. The story does not need to end in tragedy. In Blue Future, international bestselling author Maude Barlow offers solutions to the global water crisis based on four simple principles. Principle One: Water Is a Human Right chronicles the long fight to have the human right to water recognized and the powerful players still impeding this progress. Principle Two: Water Is a Common Heritage and Public Trust argues that water must not become a commodity to be bought and sold on the open market. Principle Three: Water Has Rights Too makes the case for the protection of source water and the need to make our human laws compatible with those of nature. Principle Four: Water Will Teach Us How to Live Together urges us to...
