Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Nik is a sceptic and doesn't believe in happily ever after, fairy-tale endings or truly never ending happiness. She was abandoned emotionally by her mother and keeps herself well-guarded relying only on what she knows best. She doesn't take handouts and definitely won't be anyone's charity case. When she finds herself homeless and without anywhere to turn she does the only thing she can: pretend it didn't happen. He counted on known facts; they were what he based his instincts on - and he lived by his instincts. Clay Declan trusted his instincts. And so, he lived by those moments of clarity housed deep within the trenches of the OR where he would trust his instincts to the bitter end. What happens when a woman who has closed herself off from everyone and a man too afraid to risk his heart finally meet? Will Clay manage to convince Nik that he is just there to help her and nothing more or do her suspicions...
