Reviews

This book is wonderful. It really is written in easy words and never difficult to understand. I am quickly can get a satisfaction of reading a created ebook.

(Carley Huels)

THE SCHOOLBOY IN THE WAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Schoolboy in the War When our great armies were improvised, he says, the current fear was that a sufficient number of trained officers could not be provided to lead them. But the fear was groundless. The typical public-school boy proved a born leader of men. His good-humour and camaraderie, his high sense of duty, his personal gallantry were the qualities most needed in the long months of trench warfare. When the advance came he was equal to the occasion. Most of the righting was in small units, and the daring and intrepidity of men who a little while before had been schoolboys was a notable asset in this struggle of sheer human quality. The younger officers sacrificed themselves freely, and it was the names of platoon commanders that filled most of the casualty lists. Though speaking in general terms, Buchan has evidently in mind the English public school boy, the boy of Eton and Rugby and Harrow. Following afar off his great example, I wish, while writing under a general title, to pay a tribute to the Canadian Schoolboy in the War. Some recognition of his work and spirit is long overdue; and, failing a worthier voice and pen, I am constrained to essay the high, heroic theme. Arma puerumque cano - and oh, how much more inspiring a figure is the Boy than the Man to-day! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
