Reviews

It is great and fantastic. Better then never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.

DEFENCE SPEECHES

[DOWNLOAD](#)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Defence Speeches, Marcus Tullius Cicero, D. H. Berry, 'But I must stop now. I can no longer speak for tears - and my client has ordered that tears are not to be used in his defence.' Cicero (106-43 BC) was the greatest orator of the ancient world: he dominated the Roman courts, usually appearing for the defence. His speeches are masterpieces of persuasion: compellingly written, emotionally powerful, and sometimes hilariously funny. This book presents five of his most famous defences: of Roscius, falsely accused of murdering his father; of the consul-elect Murena, accused of electoral bribery; of the poet Archias, on a citizenship charge; of Caelius, ex-lover of Clodia Metelli, on charges of violence; and of Milo, for murdering Cicero's hated enemy Clodius. Cicero's clients were rarely whiter-than-white; but so seductive is his oratory that the reader cannot help taking his side. In these speeches we are plunged into some of the most exciting courtroom dramas of all time. These new translations preserve Cicero's literary artistry and emotional force, and achieve new standards of accuracy. Each speech has its own introduction, and a general introduction discusses Cicero's public career and the criminal courts. The substantial explanatory notes guide the reader through the speeches, and offer new scholarship presented in a clear way. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
