Reviews

If you need to adding benefit, a must buy book. I am quite late in start reading this one, but better then never. I am happy to inform you that this is the best book i have read through during my own lifestyle and can be he best publication for at any time.
(Mrs. Phoebe Schimmel)

GHANAIAIAN PIDGIN ENGLISH, SENTENCE TYPE AND STRUCTURE

LAP Lambert Acad. Publ. Jul 2011, 2011. Taschenbuch. Book Condition: Neu. 220x150x8 mm. This item is printed on demand - Print on Demand
Neuware - Ghanaian Pidgin English, like all pidgins, has for a long time been looked at with suspicion and condemnation. Until recently, studies and comments made about it have come from two main perspectives - first, the error perspective, which sees pidgins as imperfect or reduced forms of generally European languages; and the second, the sociolinguistic, which has concentrated on its effect on formal education, its domains of use, and its place with formality, politeness and discipline. The present study is a contribution to recent scholarship which treats GPE, like other pidgins, as a language in its own right. The study concentrates on the sentence in GPE. It looks at how the pidgin realizes the 4 main discoursal/grammatical typologies of sentences - declarative, interrogative, imperative and exclamative. The study draws attention to the fact that GPE responding to the influences of its superstrate (English) and its substrates (the Ghanaian languages) as well as other influences, has succeeded in creating its own grammar. Additionally, the book identifies provides useful structures and uses which help to provide useful insights into contemporary grammatical categorizations, even outs 132 pp. Englisch.
