Reviews

It is simple in read through safer to comprehend. This is for anyone who statte that there was not a really worth reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Seasons on Harris: A Year in Scotland's Outer Hebrides, David Yeadon, For many armchair travelers the Outer Hebrides of Scotland epitomize the beauty and remoteness of island life. And the most dramatic of all the Hebrides is Harris, where the legendary Harris Tweed is woven by local crofters, reflecting the strength, durability, and integrity of life on Harris. Harris has dramatic mountains and huge, pristine sandy beaches bordering the open Atlantic. Yeadon captures in words and through his evocative line drawings the life of the island people, their folkways and humour and the simple life of crofting and fishing which have hardly changed in hundreds of years. Although sometimes threatened by the inroads of commerce and tourism, Harris remains in many ways idyllic, the most resonant and romantic of all the Hebridean islands. Yeadon also makes side trips to Barra, the southernmost of the Hebrides, to the Shiant Islands with author Adam Nicolson and to the fabled St. Kilda, the most remote of all the Scottish islands, 50 miles out in the Atlantic, wreathed in legend and history. There are 35 line drawings by the author.
