### Reviews

*This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.*

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Guerra, Jason Webster, After twelve years in Spain, Jason Webster had developed a deep love for his adopted homeland; his life there seemed complete. But when he and his Spanish wife moved into an idyllic old farmhouse in the mountains north of Valencia, by chance he found an unmarked mass grave from the Spanish Civil War on his doorstep. Spurred to investigate the history of the Civil War, a topic many of his Spanish friends still seemed to treat as taboo, he began to uncover a darker side to the country. Witness to a brutal fist-fight sponsored by remnants of Franco's Falangists, arrested and threatened by the police in the former HQ of the Spanish Foreign Legion, sheltered by a beautiful transvestite, shunned by locals, haunted by ghosts and finally robbed of his identity, Webster encountered a legacy of cruelty and violence that seems to linger on seventy years after the bloody events of that war. As in Webster's previous books, "Duende" and "Andalus", !"Guerra"! reveals the essence of modern Spain, which few outsiders ever manage to see. Fascinating true stories from the Civil War, vividly retold as he travels around the country. Yet the more Webster unveils of the passions that set one countryman against another, the more he is led to wonder: could the dark, primitive currents that ripped the country apart in the 1930s still be stirring under the sophisticated, worldly surface of today's Spain?.
