THE NEW TESTAMENT SLICED AND DICED

[DOWNLOAD](#)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What follows is the introduction to the book. I have no problem with the Rig Veda, the Upanishads, the Anaclets, or the Pali Canon. These are ancient sacred texts in India and China, all done with original material, meant to enlighten and uplift. I do have a problem with the New Testament because it impinges on Israel. This is a book written in Greek. The chief protagonist has a Greek name Iesous. The story could be set anywhere since it is a myth but for reasons unexplained the writers set their fantasy in Israel. If it were relocated in a future version I would have problem with it either. As I say in another book, The Jesus Myth: A Quick Study, it looks like the yarn was spawned in Egypt with the main elements imported by Indians, followers of Buddha or Krishna. The character's name in Hindi is Yeshu, apparently a sobriquet of Krishna. That name was picked up by the Jews. The character is called Yeshu in India and Israel to this day. If there had been a real Jew born and raised in Israel he would have carried a Hebrew name which would have been known from his public appearances as it were among Hebrew speakers. He would never have been given a name in Hindi. He has no known Hebrew name. His book, written by Greeks for Greeks, arrived in Israel nearly a century after the alleged events. That's when we first heard his Greek name Iesous. Meir, the sage, thumbed through the book and gave it the title by which it is called to this day among the Jews, the Aven Gilyon....
