Only it wasnt a skating star Berrien found early one morning at Nice Skates Ice Arena. A stranger was curled up in that coveted spot, not moving, dead. Neither Berrien nor Etienne, the live-in arena manager, had the faintest idea of the mans identity. As the police began their grisley investigation more troubles surfaced when it became obvious that one of the arenas champions was missing. She was reported kidnapped, adding FBI agents to the Law Enforcement mix. A decidedly upset coach from the Midwest arrived in the California town to take back his pair team one of whom is the missing girl. Parents, skaters and coaches are all in an uproar, lessons cancelled, rehearsals for the up-coming show running overtime in short, confusion reigned. First local, then national media frenzy carried the unfolding drama to the nation. The ending is truly a Grand Finale.
