Brand New Book ***** Print on Demand *****.At midnight on All Hallows Eve the portal to the land of the dead opens and spits this book out to be found by a lone cursed soul. Within these pages are the finest and most terrifying short horror stories ever told. Each tale is separated by an eerie Halloween fact and famous Halloween quote. A man who is buried alive and returns as a demon, a deal with the devil gone bad, a giant eye which rises out of a lake and manipulates a man to commit murder, a little boy who traps his abusive step father in a tiny little bottle and throws him into a river, a Catholic priest who is also a vampire, a beggar who defends a fair maidens honor by slashing her detractor s throat, and more. Good old fashioned terrifying fun.
