MAGNETIC RESONANCE

 Springer

Book Condition: New. Publisher/Verlag: Springer, Berlin | Proceedings of the International Symposium on Electron and Nuclear Magnetic Resonance, held in Melbourne, August 1969, sponsored by the Australian Academy of Science | TWENTY-FIVE years ago in Russia, Zavoisky made the first experimental observation of electron spin resonances; and a year later Purcell, Torrey and Pound at Harvard and Bloch, Hansen and Packard at Stanford (‘The Harvard of the West’) observed nuclear magnetic resonances for the first time. In both cases...

Reviews

An incredibly amazing book with perfect and lucid information. I was able to comprehend everything using this written ebook. I realized this book from my dad and i advised this ebook to understand.

-- **Hank Ruecker DDS**

A brand new e-book with a new viewpoint. I actually have read and so i am certain that i am going to gonna read again once more later on. I am quickly could get a pleasure of studying a published ebook.
