Ever since Bertha's father had remarried, the kindhearted woman had been put upon by her family. She appeared to love in her stepsister's shadow, stuck doing the housework and wearing hand-me-downs! The doctor was about to change all that. In fact, he was about to change Bertha's entire world. WINTER WEDDING - Some people might think Emily Seymour was a bit prim and proper. But she preferred to think herself as sensible; she was a staff nurse, after all. Unfortunately, all the good sense in the world couldn't stop her from falling in love with Professor Renier Jurras-Romeijn, though he barely seemed to notice her. He was too busy making plans for a winter wedding. But who was his intended bride?.
