From Interviews with Former US Slaves from Kentucky. Sample: I onced saw a light colored gal tied to the rafters of a barn, and her master whipped her until blood ran down her back and made a large pool on the ground. And I have seen negro men tied to stakes drove in the ground and whipped because they would not mind their master; but most white folks were better to their slaves and treated them better than they are now. After their work in the fields was finished on Saturday, they would have parties and have a good time. Some old negro man would play the banjo while the young darkies would dance and sing. The white folks would set around and watch; and would sometimes join in and dance and sing. Typewritten records prepared by the THE FEDERAL WRITERS PROJECT 1936-1938. Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
