

## Heavens and Hells of the Mind: Tradition Vol. II

Filesize: 3.79 MB

### **Reviews**

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Isaac Olson)

## HEAVENS AND HELLS OF THE MIND: TRADITION VOL. II

Sounding-Light Publishing, New Zealand, 2007. Paperback. Book Condition: New. 224 x 188 mm. Language: English . Brand New Book. This is a major treatise on Human Consciousness and the Wisdom Science. Volume 2 unveils six major spiritual traditions, reflecting a cross-section of Eastern and Western approaches to Reality. It includes sections such as: Yoga - the Science of Union; Pure Christianity - the Religion of Love; Zen - the Path to Enlightenment; Sufi Meditation - the Way of the Holy Fire; Tantra - the Path of Relationship; and, The Warrior School - the Way of the Noble Warrior. This volume is not an intellectual dissertation on the traditions. Rather, in each section the author merges his consciousness into the teachings and energies of a particular tradition in the Here and Now , evoking the inner essence of that tradition while uplifting it into the Spirit of Now . The reader will discover in these pages that all genuine traditions, all the great religions, all true spiritual paths, have issued from the same Universal Source. Though the languages, qualities and emphases may differ , the great spiritual traditions are One.
