Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Raising Consciousness - Preparing for Change The Solar Effect on Humanity and Earth brings up to the minute information on what s physically happening to the human race and our planet - plus Extraterrestrial guidance for the immediate future on human adaptation, the Solar Flash and how it will affect humanity and the entire Solar system. What do we all need to do to solidly create a new future reality? From wisdom within Fairy tales to a journey back in time to Mars, this book is full of answers to the most pressing questions in today s world. This book is a must read for anyone wanting to know how to create the changes we all want to see, and instructs us how to recognise and deal with those coming Earth changes with ease. There s practical advice on how to become aware and self-responsible so that you can become part of the new vibrational shift in consciousness. We must all call for the real truth that is out there - no more lies or control. We can then all live life differently and find peace and equality with our fellow men and women. Together, we can ensure a smooth transition for all into a new world reality. Collective consciousness is the greatest gift we all have to create a peaceful, organic, free world for our future. We, the people, hold the real power with this, and it s now time for each one of us to recognise our own innate personal power and use it for the good of all humanity. This book is packed with insight as to what the future will hold, and practical tips to show you the...
