Reviews

Merely no words to spell out. I am quite late in start reading this one, but better then never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be he best ebook for at any time.
(Althea Christiansen)

CLOSE ENCOUNTERS: BOOK 1: AN ALIEN AFFAIRS NOVEL

HarperCollins Publishers Inc, United States, 2009. Paperback. Book Condition: New. Original. 170 x 107 mm. Language: English . Brand New Book. Kiera Smith wants one thing out of life - to be normal. But when the Bureau of Alien Affairs commissioned a rogue geneticist to create a special GEP agent with empathic abilities, they got more than they bargained for. Stronger, faster, smarter, and more impervious to damage than her brethren, Kiera is a genetically engineered person unlike any others. As a special agent for the Bureau of Alien Affairs, Kiera's official job is to enforce the Equality Edict. Unofficially, she is a first contact specialist, spy, diplomat, and enforcer. Newly arrived on Orpheus Two she's been assigned to protect the indigenous Buri race from the none-too-honorable conglomerate, Dynatec. And it's just the challenge she's been looking for: take down the largest independant trade company in the Galactic Federation and save a race of aliens from extinction, while resisting the advances of the unnervingly handsome Buri leader.
