Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This world that so many think is heaven is the home of sin, a hospital of sorrow, a place with nothing in it to satisfy the soul. -from Heaven: Its Hope Perhaps the greatest American evangelist of the 19th century, Dwight Moody inspired millions with his sermons. And though more than a century separates us from his impassioned explications of the Bible, Moody s ardor rings with overtones of today s fundamentalist Christianity.and can offer critical clues to understanding the orthodox religious outlook still dramatically influencing our culture in the 21st century. Moody explains why Christians believe: . that the Bible is invariably correct ( None of the other religious volumes, like the Koran, that claim a divine origin, agree with common sense ) . who resides in heaven ( The inhabitants of Heaven will be select ) . that they are set apart from the larger culture ( We must go against the current of this world ) . and more. Also available from Cosimo Classics: Moody s The Way to God and Sowing and Reaping. American evangelist DWIGHT LYMAN MOODY (1837-1899) was born in New England, the child of a large working-class family. A religious conversion as an adult led him to found a ministry in Chicago, to work as a battlefield missionary during the Civil War, and eventually to lead massive evangelical crusades during the 1870s and 80s in both England and the United States. He found Christian schools and a Christian publishing house, which published his many nondenominational evangelical tracts.
