HOW TO GET ON THE EMPLOYMENT LADDER: YOU HAVE THE SKILLS; NOW LEARN TO DEVELOP THEM

Tracey Morewood, United Kingdom, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An in-depth guide to gaining employment and/or going for promotion. It is not all about the C.V and the Interview, what about the bit in the middle ? This is the confidence, self-esteem, self-belief which many people, even successful people often have barriers to. I have gone into in depth interviews - group, panel, one to one and competencey based. With over 50 questions to prepare you for your next interview. You will be aware of how you are filtered at each step and how to overcome and win these filters. Examples of own and other learners experience throughout so that you get actual, up-to-date information. Written by an Employability Tutor who really knows her stuff and has a proven track record of getting people into work. I write how I speak, no jargon or big words. Just to the point. Not only that, I am a single mum of 2 boys working full time to make ends meet, so I really do know what I am talking about. Everything you need to know about employability skills is listed within this book. From somebody that teaches it everyday.
