Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Career Thief by Michael E. Fulkerson and Michael King is a compelling story of an anti-social serial thief, a man with a weird idea of life, of society, and of right and wrong. From the earliest years of his conscious life, Malefic of Russian decent and first generation American, has cultivated a set of skills that put him apart as an expert in breaking and entering, and his entire life has revolved around this. Now, he has a dream--steal as much as he can and an idyllic lifestyle, somewhere near the beach. At the moment, when he was about to pull off the most dramatic of his stealing feats, the odds get stacked against him. Can he succeed this time in using his skills to create a perfect end to a seemingly successful career? Or will his obsession blind his vision and send him straight to his doom? Michael E. Fulkerson and Michael King have created a memorable character in Malefic, and readers will be keen on exploring the psychology of this character. At times, readers will get really mad him, wondering how a person can function as if he was born with brains and without a heart, and then there are times readers will be eager and anxious for him. Character-driven and well-written, Career Thief is a book that will awaken powerful emotions in readers while entertaining them hugely.
