Areopagitica; A speech of Mr. John Milton for the Liberty of Unlicensed Printing, to the Parliament of England is a 1644 prose polemical tract by the English poet, scholar, and polemical author John Milton opposing licensing and censorship. Areopagitica is among history's most influential and impassioned philosophical defences of the principle of a right to freedom of speech and expression. Today, Areopagitica is regarded as one of the most eloquent defences of press freedom ever written - and as one of the most influential, because many of its expressed principles have formed the basis for modern justifications. Areopagitica was published 23 November 1644 at the height of the English Civil War. It is titled after Areopagitikos, a speech written by Athenian orator Isocrates in the 5th century BC. (The Areopagus is a hill in Athens, the site of real and legendary tribunals, and was the name of a council whose power Isocrates hoped to restore.) Like Isocrates, Milton had no intention of...
