But a few dates with Nan Miller several months ago had him finally wanting something more. Her in his bed. Only she walked before that happened and his hunger for her alone has grown until he can't think of anything but her. Nan has lived her life by a plan and she isn't about to mess it up by getting involved with a man going nowhere. That's why she walked out on Jackson, seventy-one days ago. Only, she can't get him out of her mind or escape him in her dreams, night or day. So when he comes riding in on his Harley again, she wonders if she should take him up on his offer for an uninhibited weekend. But their no strings ride leads them both to an end that changes everything they ever believed they wanted or deserved out of life. Excerpt:...
