Jobs for finance majors is a book for people who may want to explore different career opportunities. This is not a book just for students in High school or a freshmen in college, but it s for anyone who may want a change of career. A factory worker may want to go to college for the first time and may not know which major to take. I m just trying to give them a chance to explore the fabulous world of finance and all that it offers. So you could be a factory worker who is tired of your job, bosses, or the strenuous work for such a little pay and you want to change your future outlook. A person working at Wendy s or McDonalds may want to get more for their knowledge because they know they are smart and should be making more money. Not everyone wants to work for minimum wage, so exploring different career paths before you decide is worth the time. This way you do not have to quit your job, you can just read about the opportunities on your free time. Then you decide!.
