NEGROPHILIA: FROM SLAVE BLOCK TO PEDESTAL - AMERICA'S RACIAL OBSESSION (HARDBACK)

[DOWNLOAD PDF](#)

WND BOOKS, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. American Society Is Gripped by a bizarre and baffling condition that threatens the nation's very well being. But don't expect any surgeon general warnings, celebrity PSAs, or prescription drug commercials to even whisper of it. That's because this societal sickness is rooted in (peek over shoulders, lower voice). race.No other four-letter word carries connotations as vile. It possesses the power to wound and outrage, to detonate careers, to summon victim mongers, and paralyze honest conversation. Into this hot zone enters Erik Rush, who boldly uses the N-word---Negrophilia---in penning what's destined to become the definitive book on race politics in America.The condition of Negrophilia, as Rush diagnoses it, entrances whites and renders blacks spellbound.Prodded by guilt and reprogrammed by press propaganda, whites succumb to Negrophilia when, believing that people of color are somehow more benevolent and less corruptible than themselves, they develop an undue affinity for them.Blacks suffer worse when they embrace this base patronization. They're denied accountability for their own actions. They're shackled by their acceptance of the nobility---no matter how lacking---of all black leaders. They're ripe for the rescue of predatory, opportunistic members of the black community---in concert with white politicians scheming for votes, political power, and personal enrichment.America cannot recover from Negrophilia if her citizens can't mention the symptoms, much less the causes. To this end, Erik Rush serves up a heady remedy---and addresses all the politically incorrect unmentionables with a refreshing frankness that's long overdue.Toughened by Having Endured every ugly epithet imaginable, Erik Rush fearlessly seizes the racial third-rail and wields it like a weapon. He slices stereotypes across the ethnic spectrum, cutting down demagogues, race-baiters, perpetual victims, wiggas, guilt-trippers, and any others suffering...
