You are a Talon of the Hawk Order. A weapon for whoever the Eye sees fit to work with, nothing more. The Hawk Order is the most renowned assassin guild in all of Flamadrion, and Apprentice Seven is one of their best Talons. Having joined the Order when she was only eleven years old, Seven was raised to ignore all soft forms of emotion, such as empathy, compassion, and affection. She is determined to reach Rank Zero and become the next Wing of the Order. However, things change when her fellow Apprentice and twin brother, Six, is killed on a mission. His target was Aiken Rogue, the leader of the Brotherhood; an organization that was believed to be destroyed years ago by the King of Flamadrion, Deverous Rednal. However, it is revealed to Seven that there is a small band of them left, and they are fighting against Deverous, claiming him to be a false king and a tyrant. In retaliation, Deverous had enlisted the Order's help in putting a stop to the Brotherhood's lies and their leader's life. Given the contract to kill Rogue herself, Seven sets out to hunt down this new Brotherhood. But there are forces trying to stop her every step of the way, and she begins to struggle with keeping to the Order's codes. Follow Seven on her journey toward avenging her brother, where she is forced to confront emotions she has always been taught to suppress, and discover just what she's willing to do for revenge. There is no freedom from the Order.
