Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

Bookstorm, South Africa, 2010. Paperback. Condition: New. Language: English . Brand New Book. 96 of small businesses fail within ten years -- so what does it take to be a successful entrepreneur? How can you beat the statistics and create and grow a successful business? Allon Raiz challenges readers to find their entrepreneurial passion and to have the courage to stay focused and determined to find the path to business success. Raiz has made a business out of growing entrepreneurs and he knows that success is not about the business plan, it is about the drive of the entrepreneur. In Lose the Business Plan, Raiz shares the lessons he has learnt and seen others learn on the road to business success. Readers learn to recognise whether they have what it takes to follow this path and find the skills most needed for entrepreneurial success.
