

## The Strangest Aircraft of All Time

---

By Keith Ray

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Strangest Aircraft of All Time, Keith Ray, If your idea of a 'strange' aircraft is the pre-war DH Dragon Rapide, a bloated Boeing Super Guppy or a BA Airbus with an 'ethnic' tail design, then think again. What about Horatio Phillips' Multiplane with its 200 separate wings? Or the Hughes H-4 Hercules, the plane with the longest wingspan ever, which was made entirely from plywood? And who could forget the Caspian Sea Monster - a ten-engine, 550,000kg giant designed to fly at 500kph at a mindboggling altitude of just 4m? Exploring the strangest aircraft ever conceived, Keith Ray reveals the madness of many a designer and marketing guru in this highly entertaining homage to some of the aviation world's more bizarre aircraft.

### Reviews

*I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.*
