A TALE OF TWO LESBIANS

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Lucy Winters was an orphan since her parents passed away the year before in an Airplane Disaster. Being the only child, she took possession of the family home in San Francisco and inherited a small fortune. She lived all alone and was attending college, with the intention to pursue a career as a gynecologist. At the young age of twenty-one, Lucy was stunning! About five and a half feet tall, fair skin, big well-rounded breasts and a magnificent set of buttocks to match, she raised eyebrows from every single male she passed. Lucy was the idol among the college lesbians, who had wild fantasies over her. They knew that she would never make it to their territory; the boys, those hungry wolves would devour her some day. Loneliness was a bitch, and staying alone in that huge, empty house was making her miserable. A couple of months ago, Lucy had registered at an online portal to volunteer to accommodate a foreign college student at her house for free. This service was designed to help foreign students who were not well off, to get educated in the United States, by providing them with free accommodation. And when the application finally came, it was from a girl who stated that she was a LESBIAN! This girl was straightforward in revealing herself. Such a person could be trusted, and this was Lucy's conviction. Whatever the outcome, one thing was for sure - she wouldn't be bringing any boys home! Read and find out what plan Destiny has for this Lesbian student. Coming from another land and culture, will her American Dream turn out to be sweet or sour? !.
