IF YOU HAVE THE DESIRE TO BECOME A MILLIONAIRE, BUT THINK IT COULD NEVER HAPPEN TO YOU, THINK AGAIN. This is the true inspirational story of an average Joe, with average education, average intelligence, little financial resources, and no hope for a bright future. Who, against all odds, found the secret to make the shift from an average life to an extraordinary life. The lessons he learned along the path to financial abundance are shared with the reader to show other average Janes and Joes how they too can tap into their own inner millionaire, no matter how unlikely it may seem. Read The Most Unlikely Millionaire to discover: Why traditional thinking that a job offers more security than owning your own business can be a lie What you can do to break out of the same rut and choose a different path Where you have been mislead from childhood and how to change When you should take action How you can change your life just by making the decision to...
